

Submission Guidelines

The journal *Amfiteater* publishes articles in field of performing arts in the context of different media, cultures, social sciences and arts. Articles are accepted in Slovenian or English language. It is expected that any manuscript submitted has not been previously published and has not been simultaneously submitted for publication elsewhere. All submissions are peer reviewed.

The recommended length of articles is 30,000 characters including spaces. After the title please write the author's name, postal address and e-mail address as well as professional affiliation. A short Abstract of up to 1,500 characters (including spaces) and a list of keywords (5–8) should follow together with a short biography of the author that should not exceed 550 characters including spaces. At the end of the article is a longer Abstract (6,000 characters with spaces) that will be translated into Slovenian.

Submit articles as an attachment file in Microsoft Word or Open Office format, in the Times New Roman font, 12 point, with 1.5 line spacing. Each new paragraph is marked with an empty line. Quotations longer than five lines are placed in separate paragraphs, in 10 point size, without quotation marks. Abbreviations and adaptations of quotations are marked in square brackets. Notes are not meant for quoting literature; they should appear as footnotes marked with consecutive numbers. *Amfiteater* uses British spelling (-ise, -isation, colour, analyse, travelled, etc.) in English texts.

IN-TEXT CITATIONS

When quoting an author and related work within the text, state only the page numbers in brackets, e.g., (161–66). When the author of the quoted work is not mentioned in the sentence, state the author's name and the page numbers in brackets without punctuation between them, e.g., (Reinelt 161–66). For different bibliographical entries by the same author, include a shortened title of the work, e.g., (Reinelt, *Javno* 161–66). The in-text citations and bibliography is structured according to MLA style, 8th edition.

Titles of books, productions, performances etc. are written in italic: e.g., *Storm Still* by Peter Handke.

Titles of articles are written in normal font and in quotation marks: As Rosemarie Banks argues in her article "Recurrence, Duration, and Ceremonies of Naming".

When the same bibliographical entry is quoted in succession the author should use (Ibid.).
